Standard Catalog of World Coins, 1801-1900 (Standard Catalog of World Coins 19th Century Edition 1801-1900) From Numismatic Magazine

Bringing 19th century coins to light!

The new, completely updated and vetted edition of the *Standard Catalog of World Coins, 1801-1900*, offers comprehensive coin listings and current market prices from trusted coin experts from around the world. The ideal reference for researchers, collectors, auctioneers and dealers, the *Standard Catalog of World Coins* has a more-than-40-year tradition of excellence in the hobby.

This 8th edition features significant coin value volatility for many countries. As the precious metals market stabilizes, the collectible coin market has sought to find reasonable levels in all areas. You will see major price gains in Mughal, Independent and Princely States eras of India, alongside many drops for German States minor type coinage, Swiss Cantons. Australian and New Zealand Tokens and many lower grades worldwide. Through many British Colonial countries you will witness expanded grades and increasing values on proof strikes.

Each coin listing provides:

- Current values listed by date, variety and grade
- Universal KM reverence number
- Detailed descriptions of obverse and reverse designs
- Clear images to aid in identification

Coins struck in gold, platinum and silver are detailed with:

- Total coin weight
- Fineness
- Actual precious metal weight

Special refinements for this edition include:

- Improved KM number sorting
- Expanded data for types not beginning, but ending within the time frame
- Numeric grading, with MS-63 prices for the first time
