Dangerous Curves By Marysol James

Jax Hamill is a man who has changed his life – with lots of hard work and even more dumb luck. He's left the hell of his younger and wilder days behind, and now he has a bar, a house, a truck, and a bike. Oh, and all the casual sex in a bar back room that a man like him may desire. Jax lives his carefree life for 'now', and keeps things 'temporary'. At least he did…until she threw everything he thought in to question.

Sarah Matthews is a woman who would love to change her life in some ways. By default and sheer bad luck, she juggles a staggering number of responsibilities, both personal and professional. She's single, stressed, and seriously in need of some fun. If only she could escape her overly-scheduled, vanilla life, and cut loose… just for a little while.

When Jax and Sarah decide to get together – just temporarily and just for fun – it changes both of their lives for the better. But when a man from Sarah's past returns, it changes everything for the worse. In fact, it couldn't be worse. As Sarah fights to come back to him, Jax is forced to confront the kind of person he was, who he is now, and the kind of man that he wants to be… both for Sarah, and for himself.

Editorial Review

From the Author
Dear readers,

A quick note:

I love to write steamy, sexy, slinky romances, so yes indeed, the love scenes are descriptive. Some graphic language is used, so please be prepared for that when considering downloading one of my books. Thank you so much for your interest and support!

Warmly,
Marysol

Users Review

From reader reviews:

Kenisha Perkins:

Reading a guide can be one of a lot of task that everyone in the world loves. Do you like reading book therefore. There are a lot of reasons why people love it. First reading a guide will give you a lot of new facts. When you read a e-book you will get new information due to the fact book is one of a number of ways to share the information or even their idea. Second, examining a book will make a person more imaginative. When you examining a book especially fiction book the author will bring you to imagine the story how the character types do it anything. Third, you are able to share your knowledge to other people. When you read this Dangerous Curves, you may tells your family, friends and also soon about yours publication. Your knowledge can inspire the mediocre, make them reading a reserve.

Joseph Taylor:

Are you kind of stressful person, only have 10 as well as 15 minute in your time to upgrading your mind talent or thinking skill actually analytical thinking? Then you are receiving problem with the book than can satisfy your small amount of time to read it because this all time you only find publication that need more time to be read. Dangerous Curves can be your answer because it can be read by anyone who have those short free time problems.

William Moreau:

You may spend your free time you just read this book this e-book. This Dangerous Curves is simple bringing you can read it in the area, in the beach, train along with soon. If you did not possess much space to bring often the printed book, you can buy the e-book. It is make you much easier to read it. You can save the particular book in your smart phone. Consequently there are a lot of benefits that you will get when you buy this book.

Joan Stump:

Do you like reading a e-book? Confuse to looking for your favorite book? Or your book was rare? Why so many issue for the book? But virtually any people feel that they enjoy with regard to reading. Some people likes studying, not only science book but novel and Dangerous Curves or perhaps others sources were given understanding for you. After you know how the truly amazing a book, you feel desire to read more and more. Science guide was created for teacher as well as students especially. Those ebooks are helping them to bring their knowledge. In various other case, beside science reserve, any other book likes Dangerous Curves to make your spare time considerably more colorful. Many types of book like here.
