ONE NIGHT STAND (A Billionaire Bad Boy Romance) By Bella Grant

He was supposed to be a one-night stand ... until he showed up at my surprise engagement party!

For once, I let my guard down for a wild night of fun. I wanted to lose myself to the best man for the job, so I picked Braydon Keagan, a hot Irish man with a dark past. He didn't disappoint. I got the best night of my life and left the stranger's side with no regrets. I returned to my normal life - running the local orphanage with the trust fund set up by my father - and tried to forget all about the hot, sexy man I had given myself to. I'd never see him again – our lives were totally opposite. But, I was seriously mistaken. My childhood best friend was planning on proposing to me, and Braydon had been invited to our engagement party!

All I want to do was drink, chase after women, and die rich. . .until I met Charlotte!

With a price on my head and scars on my body, it was only a matter of time before the past caught up with me. There was no room for a woman in my life. There was certainly no room for love in my world; hanging around me was too dangerous. But I hadn't planned on meeting Charlotte Finnegan, a sexy, naïve woman determined to offer herself to me – for one night only. Of course, I'd never say no to a woman! It was a one-night stand and she'd be gone as soon as we were done, just like every other one-night stand I've had. This time, though, I was out of luck! I wanted more of her, and not even her engagement party could stop me!
