Sugar Free: A Sugar Bowl Novel By Sawyer Bennett

***NEW YORK TIMES* BESTSELLER • Sela and Beck's deliciously sinful tale of sex, lies, and vengeance reaches its explosive conclusion in the final chapter of Sawyer Bennett's Sugar Bowl trilogy**

For years Sela Halstead dreamed of revenge, but the quest for payback has been anything but sweet. Now, once again, she finds herself at the mercy of Jonathon Townsend, his hands crushing the very breath from her body. And even though she escapes with her life, Sela fears she may never recover. In desperate need of shelter and comfort, she runs to the one man she can trust. Beckett North has stood by Sela since the beginning. But can he handle the brutal truth?

Beck will do anything to protect what is his—and make no mistake, Sela belongs to him, heart and soul. The passion between them runs hot, even as their world begins to unravel. With the legacy of his ruthless business partner hanging in the balance, Beck stands to lose everything: his fortune, his family, his freedom. But each touch of Sela's mouth on his skin, her nails down his back, makes it harder to let her go—and it might not even be his choice to make.

Praise for *Sugar Free*

"Now that all three books are out, you really should pick them up, pour yourself your favorite beverage (either in a glass or in a cup) and settle in and enjoy this wild ride!"**—Unconventional Book Views**

"A really good high-intensity read with this couple from start to finish. A lot of twists and turns in the relationship and with Sela's past thrown in along with off-the-charts hot bedroom antics. . . . A fast-paced and action-packed ride from start

to finish. . . I enjoyed the entire series."**—Carrie's Book Reviews**

"*Sugar Free* does not disappoint and is more engaging than both *Sugar Daddy* and *Sugar Rush* combined. Sawyer Bennett knocked this series out of the park by combining fun and sexy moments between Sela and Beck mixed with an intriguing revenge plot."**—Rant & Rave About Books**

"This was the best finale to this crazy book series. The characters were developed so carefully and intricately that I believed they could do no wrong. The storyline played out in such a way that I was so convinced one way, only to have the plot twist and then I was left [with my mouth] gaping open. This was a perfect installment and a fun book to get caught up in."**—FMR Book Grind**

"I highly recommend the Sugar Bowl series if you are looking for something different and a story to keep you on the edge of your seat."**—Slow Reader's Blog**

"*Sugar Free* is five stars because it was an excellent way to finish the *Sugar Bowl* series, the books that have made me fall in love with Sawyer Bennett's writing. This woman is so freaking talented. I loved this story, the revenge plot, the chemistry and the depth of her main characters. So if you love Sawyer's writing and you want a darkish version of it, you definitely have to check out this series. I highly recommend it!"**—Alba and Her Secrets**
