Heat of the Moment: Sisters of the Craft By Lori Handeland

A spell that tore three sisters apart is broken four hundred years later, when the magic in their blood reunites them. Now, one of them will discover her gift-and reignite a love long thought lost...
Flame-haired Becca Carstairs was born to be a veterinarian. Since childhood, her affinity for animals has been special, and her healing touch nothing short of magic. But only Becca knows the truth-that she alone can hear the creatures' voices. She's always trusted her sixth sense...until a string of missing pets, an attempted murder, and a face from her past converge into one explosive mystery, with her at its center. Is haunted Owen McAllister, the boy who broke her heart ten years ago, related to the sinister crimes that have peaceful Three Harbors, Wisconsin, on its guard? Or is his reappearance part of the answer to questions that have troubled her all her life? As Becca delves into her strange heritage, she'll have to fight for her life...and the man she will always love.

In the second book of this spellbinding new series,* New York Times *bestselling author Lori Handeland delivers breath-taking danger, desire, and the dark heart of magic.
