Fifty Shades Of Alice In Wonderland (The Fifty Shades Of Alice Trilogy Book 1) By Melinda DuChamp

BEYOND 50 SHADES OF GREY...

Eighteen-year-old Alice is unhappy. Her boyfriend is nice and polite, but he's also quick and careless in bed, and doesn't give Alice the attention and variety she craves. But he's not entirely to blame, because Alice herself doesn't understand her own needs. She's heard about what sex is supposed to be like, but has never felt anything remotely close to what she's read about in runaway bestselling books.

BEYOND 9 1/2 WEEKS...

Then Alice follows a vibrating white rabbit down a deep, dark hole, which leads to a place beyond her wildest imagination. There are no nice boys--or girls--down here. Only those who indulge in secret, forbidden, kinky fantasies.

BEYOND PRIDE AND PREJUDICE AND ZOMBIES...

Alice is confused and frightened and... aroused. She is bound. Teased. Spanked. Toyed. Brought to the limits of sexual endurance. And during her trials, she begins to understand her body's needs for the very first time.

BEYOND THUNDERDOME...

This isn't the fairy tale you grew up reading. This isn't for children at all.

This is for those with dark desires, who wish to explore erotic excess beyond the plain vanilla of everyday life. Follow Alice down the rabbit hole, if you dare...

Fifty Shades of Alice in Wonderland is slightly longer than the Lewis Carroll version, roughly 32,000 words or 115 paper pages long. Melinda DuChamp is the pen name of bestselling author who has written over 50 novels, mostly romance.

Editorial Review

From the Author

I'm a professional author who has written more than fifty novels, most of them romances.

Recently, I began writing erotica under this pen name, beginning with Fifty Shades of Alice in Wonderland. I do my best to make my books playful and funny without taking away from the kinky, steamy love scenes.

Alice's journey of sexual discovery continues in Fifty Shades of Alice Through the Looking Glass, and Fifty Shades of Alice at the Hellfire Club. I've also written the Fifty Shades of Jezebel trilogy, the Sexperts trilogy, the contemporary erotic romance Want It Bad, and The Seven Year Witch.

Question: Why do you use a pen name?

Answer: I have a wonderful family, but they don't need to know their daughter/mother/sister/cousin/aunt writes sexy stuff like this. Though I firmly believe fantasy is healthy, and sex is nothing to be embarrassed by or ashamed of, a pen name makes things easier.

But if you're really curious who I am, you can find out with a Google search.

Question: Do you have a website, Facebook, or Twitter account?

Answer: I don't have a website yet, but readers are welcome to email me at melindaduchamp@gmail.com. I always love to hear what people think of my work!

Question: Will you be doing any more adult novels after the Alice trilogy?

Answer: I do plan on writing more fairytale-themed erotica. I had a lot of fun writing Alice, and am bursting with ideas for future projects. Feel free to contact me and let me know which fairytale you'd like me to spice up.
