The Faerie Guardian (Creepy Hollow) (Volume 1) By Rachel Morgan

Enter a hidden world of magic, mystery, danger and romance in this YA fantasy from Amazon bestselling author, Rachel Morgan...

Seventeen-year-old Violet Fairdale has one job: protect humans from dangerous magical creatures. It's a job she's good at—until her latest assignment, a cute human guy who can somehow see through her faerie glamour, follows her into the fae realm. Now she's broken Guild law and risked her future as the top graduate of her class.

The last thing Vi wants to do is spend any more time with the boy who got her into this mess, but the Guild requires that she return Nate to his home and make him forget everything he’s discovered of the fae realm. Easy, right? Not when you factor in evil faeries, long-lost family members, and inconvenient feelings of the romantic kind. Vi is about to find herself tangled up in a dangerous plot—and it’ll take all her training to get out alive.

Editorial Review

Review
"With plenty of magic to make it a fantasy and plenty of action to be a thriller, you won't be able to put The Faerie Guardian down until you reach the very unexpected end." ---Reader's Favorite

About the Author
Rachel Morgan spent a good deal of her childhood living in a fantasy land of her own making, crafting endless stories of make-believe and occasionally writing some of them down. After completing a degree in genetics and discovering she still wasn’t grown-up enough for a ‘real’ job, she decided to return to those story worlds still spinning around her imagination. These days she spends much of her time immersed in fantasy land once more, writing fiction for young adults and those young at heart.
