Occupational and Environmental Medicine: Self-Assessment Review From LWW

This question-and-answer review book is an excellent aid for candidates preparing for the board exam in occupational medicine and an ideal structured learning guide for physicians. It contains approximately 500 questions, with answers and explanations, based on Robert McCunney's comprehensive text, **A Practical Approach to Occupational and Environmental Medicine, Third Edition**. Two additional chapters present practical strategies for preparing for and taking the board exam.

*The American College of Occupational and Environmental Medicine (ACOEM) designates each of the four sections of this review for a maximum of **22.5 credits in Category 1 of the American Medical Association's Physician's Recognition Award**.*
