Disney Learning Wonderful World of Animals By Disney Book Group, Donald Moore

Where do animals go in the summertime? Do elephants cry? Can parrots understand what we say? In Wonderful World of Animals, stunning real-life photographs and favorite Disney characters help children discover the magic of wildlife and the many ways in which animals live. Featuring stunning photographs, true stories, and amazing facts shared by wildlife "insiders" from zoos and nature centers, this delightfully illustrated reference book gives children a greater understanding of the lives of wild animals. The reader will learn about their favorite animals, how zoos work, and about the distinct habits of different animal groups. Created to appeal to children’s natural curiosity about animals, this book engages children with easy-to-understand, interesting facts about animals and our relationships with them.
