The Tome of Bill Series: Books 1-4 (Bill The Vampire, Scary Dead Things, The Mourning Woods, Holier Than Thou) By Rick Gualtieri

There Are Reasons We Fear The Night. He's Not One Of Them.

This omnibus edition contains the first FOUR books of the bestselling Tome of Bill series - over 1000 pages of action, attitude, and geeky humor.

Gamer, Geek, and Vampire - Bill Ryder is an unlikely hero trying to survive in a world of supernatural horrors. Despite awesome powers, loyal allies, and a Brooklyn-sized attitude; the odds are stacked heavily against him. Bill must fulfill his destiny and save the world from the ancient terrors that threaten it - all while trying to build some semblance of a social life.

Includes:

BILL THE VAMPIRE (Book 1)
Bill Ryder was a dateless geek until he met a girl to die for. So he did. Unfortunately for him, that was just the beginning of his troubles. He awoke as a vampire, one of the legendary predators of the night. Sadly, fangs or not, he was still at the bottom of the food chain. Now he finds himself surrounded by creatures stronger, deadlier, and a lot cooler than he is ... and they all want to kick his teeth in. Join Bill in this hilarious tale of immortal monsters and the man who's not afraid to tell them off, even if it gets him killed - *permanently this time*.

SCARY DEAD THINGS (Book 2)
One of the most powerful vampires in the world wants Bill Ryder’s head. A pint-sized princess wants the rest of him. It’s just not clear which fate is worse. All the while, new and powerful forces have begun to emerge from the shadows around him. Are they friend or foe? Knowing Bill’s luck, do you even have to ask?

THE MOURNING WOODS (Book 3)
A war is brewing between vampires and sasquatches, ancient enemies from the dawn of time. If it can't be stopped, the veil will be lifted and all of humanity's

darkest nightmares will be unleashed to wreak havoc. The vampire nation dispatches Bill Ryder to a faraway land to broker peace, but it's not going to be easy. His enemies want him dead. Sadly for him, some of his allies do too.

HOLIER THAN THOU (Book 4)
On the eve of war, The Icon - legendary slayer of the vampire race - has arisen. There's just one small catch: Bill Ryder is in love with her. Panic is about to break out within the ranks of the undead and Bill is caught smack dab in the middle of it. Now he finds himself in a race to save the person fated to destroy him. Talk about being damned if you do.

Join Bill in these tales full of monsters, mayhem, and foul-mouthed laughs. If you enjoy *The Dresden Files* or *The Iron Druid Chronicles* then you're in for a bloody good time. Read the *complete* series today!

Editorial Review

From the Author
The *Tome of Bill* series drags the vampire genre away from the brooding twilight of depressing interviews and forlorn heroes pining for lost love. **It's time to make the undead fun again.**

Welcome to the story of Bill Ryder, a wise-cracking, sharp-tongued geek who just can't take the supernatural world too seriously. If you're looking for bloody action, hard-hitting adventure, and lots of laughs then you're in the right place.

My goal since day one of this series has been to entertain, delight, and maybe even shock you a little. If I am able to do any of that, then it has been my express pleasure.

The *complete* Tome of Bill series includes (in order):
Bill the Vampire (book 1)
Night Stalker: A Tale From The Tome of Bill
Scary Dead Things (book 2)
The Mourning Woods (book 3)
Holier Than Thou (book 4)
Sunset Strip: A Tale From The Tome of Bill
Goddamned Freaky Monsters (book 5)
Half A Prayer (book 6)
The Wicked Dead (book 7)

Shining Fury: A Tale From The Tome of Bill
The Last Coven (book 8)

Some Tips for Surviving all those damned Vampires *
by Rick Gualtieri

Being seduced by a beautiful immortal makes for pretty good fantasy. There's just one small problem. Having your throat actually torn out by a ravenous creature of the night is a wee bit less glamorous than Hollywood would have you believe. Here are my tips for avoiding a gruesome fate at the hands of the undead.

1. **Avoid being where vampires are.** Yeah, that might sound obvious, but you need to cover the basics first if you're gonna live to see your next sunrise. This means staying away from old castles, spooky forests, and villages where they board up their windows at sundown. Note: this shouldn't be confused with places where the patronage are sporting sparkly makeup and false fangs. You may wish to stay out of those spots as well, mind you, but for entirely different reasons.
2. **Carry a vampire slaying kit.** Much like burglars avoid houses guarded by an angry Doberman, most vamps prefer easy meals over folks sporting weaponry that would make Buffy Summers weep with joy. Thus, you should never leave home without: wooden stakes, a crucifix, holy water, a crossbow, a machete, and a heavy caliber gun with silver bullets (bonus - also handy for werewolves).

3. **Hold on there, Jethro, won't most of that stuff get me arrested?** Probably, but ask yourself what's worse: a jail cell psych evaluation or an eternity of servitude to the forces of darkness? Yeah, that's what I thought. It's up to you to decide if you're gonna man up because otherwise you might as well pour some barbeque sauce on your neck and get it over with.
4. **Don't rely on garlic.** For vampires anyway. Though a tasty ingredient, garlic is iffy at best as a vampire deterrent. Most will steal it for later use in a marinara sauce and then just bite you anyway. Also, running around with cloves of garlic hanging from your neck is a good way to get labeled as a weirdo, ensuring you get ignored by everyone - except maybe the vampires chasing you.
5. **Running water is a fool's errand.** Sure, if you're on one side of the English Channel and a vampire is on the other, the odds are in your favor. Streams, creeks, or swimming pools, though, aren't gonna do much except get a vampire wet. This will do nothing to help your cause, unless maybe you have a fetish for being killed by a damp vamp. Hey, we don't judge.
6. **Only go out during the day.** Don't let your friends fool you. They may be out having fun at parties, clubs, and concerts, but you'll have the last laugh as you sit at home, locked up tight and surrounded by anti-vampire paraphernalia. Yeah, a so-called significant other might occasionally insist that you take them out for dinner and a movie, but don't be fooled. They may very well be thralls, hoping to lure you to a messy fate at the hands of their vampire overlords. Trust no one. The undead are everywhere.

**legal disclaimer - don't actually do this*
