Anne & Henry By Dawn Ius

In this wonderfully creative retelling of the infamous—and torrid—love affair between Anne Boleyn and King Henry VIII, history collides with the present when a sizzling romance ignites in a modern-day high school.

Henry Tudor's life has been mapped out since the day he was born: student body president, valedictorian, Harvard Law School, and a stunning political career just like his father's. But ever since the death of his brother, the pressure for Henry to be perfect has doubled. And now he's trapped: forbidden from pursuing a life as an artist or dating any girl who isn't Tudor-approved.

Then Anne Boleyn crashes into his life.

Wild, brash, and outspoken, Anne is everything Henry isn't allowed to be—or want. But soon Anne is all he can think about. His mother, his friends, and even his girlfriend warn him away, but his desire for Anne consumes him.

Henry is willing to do anything to be with her, but once they're together, will their romance destroy them both?

Inspired by the true story of Anne Boleyn and King Henry VIII, *Anne & Henry* beautifully reimagines the intensity, love, and betrayal between one of the most infamous couples of all time.

Editorial Review

From School Library Journal
Gr 9 Up—Set in modern-day Medina, WA, this story is a reimagining of the intense, dramatic (and short) relationship between King Henry VIII and Anne Boleyn. Henry can see his future as clearly as if it was sitting in his palm. He will bow to familial pressure. Once he graduates from high school, he will go to Harvard. He will marry his longtime girlfriend, Catherine. Then he will pursue politics on a national level. All of this seems certain until Anne Boleyn arrives in Medina. Gorgeous but lacking the polish of other Medina girls, Anne does not fit in at the posh high school. The story is told from the alternating viewpoints of Henry and Anne. The protagonist are well developed. Henry's struggle to please his mother and satisfy his own desires is filled with tension that will ring true for many teens. Anne's fruitless efforts to fit in are fraught with angst that will resonate with readers. This soap opera for teens features deception and intrigue aplenty. All of the adolescents are gluttonously wealthy and amazingly sophisticated. Also, they are self-absorbed, spoiled, and prolific swearers. Parents are around but never when they should be. The teens have several opulent parties, all of which involve lots of drinking. Sex is referred to often and described explicitly at least once. VERDICT The over-the-top wealth and intrigue will appeal to fans of Cecily Von Ziegesar's "Gossip Girls" (Little, Brown) and Sara Shepard's "Pretty Little Liars" (HarperCollins).—Jennifer Prince, Buncombe County Public Libraries, NC

Review
"Students of history already know where this is headed, but Ius' creative interpretations of the facts are seductive, and she weaves an intriguing web around the doomed lovers. Her prose evokes both the intoxication of teen lust and the treacherous social landscape of adolescence. The first-person narration, alternating between Anne and Henry, draws a layered portrait of two flawed players in a rigged game who are simultaneously affecting and a bit unlikable in their addled decision-making. The end of the affair has a cinematic flair. Clever and compelling storytelling from a promising writer." (*Kirkus Reviews*)

About the Author
Dawn Ius is the author of *Anne & Henry*, *Overdrive*, and *Lizzie*. When she’s not slaying fictional monsters, she can be found geeking out over things like true love and other fairy tales, Jack Bauer, sports cars, Halloween, and all things that go bump in the night. She lives in Alberta, Canada, with her husband, Jeff, their giant English Mastiff, Roarke, and a St. Bernard pup named Charley.

Users Review

From reader reviews:

Jose York:

As people who live in typically the modest era should be revise about what going on or info even knowledge to make these people keep up with the era and that is always change and make progress. Some of you maybe may update themselves by looking at books. It is a good choice for you personally but the problems coming to anyone is you don't know which you should start with. This Anne & Henry is our recommendation so you keep up with the world. Why, because this book serves what you want and want in this era.

Dwayne Moseley:

The knowledge that you get from Anne & Henry may be the more deep you digging the information that hide within the words the more you get considering reading it. It does not mean that this book is hard to recognise but Anne & Henry giving you enjoyment feeling of reading. The article writer conveys their point in specific way that can be understood by anyone who read the item because the author of this publication is well-known enough. This book also makes your vocabulary increase well. Therefore it is easy to understand then can go with you, both in printed or e-book style are available. We suggest you for having this kind of Anne & Henry instantly.

Vicki Head:

Spent a free time and energy to be fun activity to do! A lot of people spent their spare time with their family, or their particular friends. Usually they accomplishing activity like watching television, gonna beach, or picnic in the park. They actually doing same thing every week. Do you feel it? Do you want to something different to fill your current free time/ holiday? Could possibly be reading a book might be option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of reserve that you should read. If you want to try out look for book, may be the publication untitled Anne & Henry can be excellent book to read. May be it might be best activity to you.

Brant Castillo:

The reason? Because this Anne & Henry is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will zap you with the secret that inside. Reading this book close to it was fantastic author who else write the book in such remarkable way makes the content interior easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This unique book will give you a lot of positive aspects than the other book possess such as help improving your proficiency and your critical thinking method. So , still want to postpone having that book? If I were being you I will go to the publication store hurriedly.
