Rowdy: The Marked Men, Book 5 By Jay Crownover

It's not about your first love, but the first love you fight for. The fifth book in the scorching hot New York Times best-selling "Marked Men" New Adult series.

After his first broken heart, Rowdy St. James decided he was going to do everything in his power to live up to his nickname: life was all about the good times. But when a ghost from the past appears, she makes him question everything he thought he knew about love.

Salem Cruz grew up in a house with too many rules - and no fun allowed. She left it all behind as soon as she could, but she never forgot the sweet, blue-eyed boy next door who'd been in love with her little sister. Now, Salem is determined to show Rowdy he picked the wrong sister all those years ago.

As their relationship heats up, Rowdy starts to let his heart go - until the one person who could drive them apart shows up again.
