Freshman Feint (Straight College Guys Book 1) By Elaine Ashford

My best friend is the only man for me…and he'll never be mine.

I can't have him…

I'm Liam. My freshman year at college is giving me a tough time. It's not just the classes … it's knowing I'm in love with my **straight best friend**, Nathan.

I can't leave him…

We've been friends forever, and that means I have to help him get ready for his date with Charlotte, the girl we know from high school. It kills me to think **he'll never feel the same way** about me that I do about him.

Unless something changes…

Owen, the guy from my hockey team, is into me … and maybe it's just my imagination, but that seems to bother Nathan. **Is there really a chance for us, or am I just kidding myself?**

Freshman Feint is a 21000 word new adult contemporary MM romance novella with **no cliffhangers and a HEA**. It's the first of the Straight College Guys series, but **can be read as a standalone**. Recommended for readers 18+ due to mature themes and explicit content.
