Irresistible: Erotic Romance for Couples From Cleis Press

This *Irresistible* read features stories of couples turning their deepest fantasies into reality for uninhibited and imaginative sex. You'll delight in discovering all the exciting erotic possibilities, and ways of getting and staying turned on. It all starts with a little sexting in A.M. Hartnett's sizzling "Safe for Work" office tryst and Cole Riley's moving "Same As It Ever Was" shows that makeup sex can be the start of something new and better. Dirty talk leads to lustful surprises and inspiration for the neighbors in "The Mitzvah" by Tiffany Reisz. Editor Rachel Kramer Bussel notes that the lovers in this daringly romantic anthology are "able to open up in the ways they do is precisely because they have another person to rely on, coax them, challenge them, tease them and seduce them into traveling down a new sexual path. Whether that means outdoor sex, kink, a trip to a strip club or a very sensual massage, we get to see how the layers of trust that have been built up get used to stoke the fire that burns between them."

Editorial Review

Review
"I also recommend the [...] anthologies edited by Rachel Kramer Bussel. Are they feminist? That is so hard to say, but I never feel bad about myself or my sexuality after reading the work these women write and curate." ?Roxane Gay, author of *Bad Feminist*

"I think this book will appeal to people that are already part of a couple and also serve as inspiration for singles that there is a great sex life to be had beyond the vows. Some of these couple’s find the fire needs kindling. Once the wedding is over and the kids have taken over some may think there are no surprises in the marriage bed. This book puts to bed all those myths and features just enough kink to keep it very sexy." ?Kissin Blue Karen

From the Inside Flap
Introduction

A lot of the erotica that comes acrossmy desk focuses on the spark of attraction when strangers meet, the cataclysmicsensation of falling, hard, for someone new and exciting. That makes sense,because there's built-in drama and erotic tension when two people discoverthere's intense chemistry between them. With this anthology, though, I wantedto explore what happens after that, once those people have been together awhile (even a short while). I wanted to see what sparks fictional couples couldproduce on the page, and the results are, well, scorching.

The couples inthis book explore all sorts of exciting sexual possibilities, and one of themain reasons they're able to open up in the ways they do is precisely becausethey have another person to rely on, coaxthem, challenge them, tease them and seduce them into traveling down a newsexual path. Whether that means outdoor sex, kink, a trip to a stripclub or a very sensual massage, we get to see the ways the layers of trust thathave been built up get used to stoke the fire that burns between them.

In addition toenjoying naughty, wild adventures, the couples here also work out differencesbetween one another andhandle issues like infidelity in ways that ultimately strengthen, rather thandestroy, their relationships' longevity.In Cole Riley's "Same As It Ever Was," Joanne suspects her husband of cheating,but with a little help from her best friend, manages to recapture the sensual spiritand passion that's been missing as both husband and wife make amends and moveon, knowing what it was they almost lost. Rekindling a romance that'sthreatened to go stale is also the theme of "Renewal" by Delilah Night,where she writes, "That touch sent a long-missing ripple through my body. Ihesitated, hoping he'd remember what I love."

In "The Pact"by Elizabeth Coldwell, a woman rediscovers a man she'd once passed over, onlyto find that the years they've spent apart have made him someone she's sorryshe overlooked. How a couple deals with a death in the family, as well asreligious tradition, is the subject of "The Mitzvah" by Tiffany Reisz, as Graceand Zachary find that embracing desire can be healing. Kris Adams takes us intoan African village and some complicated relationship dynamics, along with a lotof voyeurism, in "Six Eyes, Two Ears." Kay Jaybee takes a common fantasy, thatof a man watching two women make love, and breathes new life into it by showingboth halves of a couple as they live out this dream.

Individualcharacters work through their own issues with the help of their partners,getting support, love and, of course, very hot sex. "Repaint the Night,"by Janine Ashbless, is about public sex, but, even more, a

woman who is conquering a fear of the dark afterbeing mugged ten years before. The erotic power of that story is heightened byLeah's awe at being able to enjoy what she and Callum are sharing, as sherecovers a part of herself she lost and deepens the level of trust betweenthem.

For those wholikes things a bit spicier, there's "The Netherlands"by Justine Elyot, in which a nude Loveday serves guests tea and takes orders,while fulfilling a longtime fantasy of being "used," with her true love thereto watch.

Make nomistake: though these are stories about couples, they are not light or fluffy. They are full of joy, lust and kink, as well as realisticelements of mistrust, uncertainty and confusion, which the couples work throughin ways that don't gloss over or ignore their differences.

Thesecouples, however long they've been a team, push the envelope by pushingthemselves to try something new, even when they're not sure where it will leadthem. They go to those exotic, erotic places, to those recurring fantasies,because they know they have someone who will travel there with them. I hopethis book will inspire nighttime reading--out loud--anderotic adventures, as well as conversations that have been bubbling under thesurface, waiting to be exposed, just like the fantasies in the tales you'reabout to read.

Rachel Kramer Bussel
NewYork City

From the Back Cover

Red Hot Monogamy

Irresistible features loving couples who turn their deepest fantasies into reality—resulting in uninhibited, imaginative sex they can only enjoy together. Engage in a little sexting in A.M. Hartnett's sizzling "Safe for Work" office tryst, and follow a kinky candidate for public office—and his lusty wife—in Alyssa Turner's intriguing "Hypocrites." Cole Riley's moving "Same As It Ever Was" shows that makeup sex can be worth fighting for. As editor Rachel Kramer Bussel notes, the lovers in this daringly romantic anthology are "able to open up in the ways they do precisely because they have another person to rely on...We get to see how the layers of trust that have been built up get used to stoke the fire that burns between them."
