Tragic Modernities By Miriam Leonard

Under the microscope of recent scholarship the universality of Greek tragedy has started to fade, as particularities of Athenian culture have come into focus. Miriam Leonard contests the idea of the death of tragedy and argues powerfully for the continued vitality and viability of Greek tragic theater in the central debates of contemporary culture.

Editorial Review

Review
This is an ambitious and well-researched book, which has important things to say about both tragedy and modernity. (Barbara Graziosi *Times Higher Education* 2015-08-20)

[An] excellent book. In *Tragic Modernities*, [**Leonard**] convincingly argues that Greek tragedy has, and must continue to have, an essential role in contemporary culture. The book is a work of love and a dedicated, thorough reading of tragedy?a rare accomplishment. Leonard manages to connect all the major views (some of them seemingly incompatible) in the history of modernity, and she shows the depth of tragedy's influence on world view. She points out the crucial role of tragedy in drawing attention to the relationship between individuals and collectives… An important book on philosophy and tragedy. (S. Correa *Choice* 2015-12-01)

Leonard's brilliant examination opens up the discussion of 'the tragic' in exciting ways. Her eloquent, sure-footed readings render difficult philosophical and literary texts newly accessible. (Page duBois, University of California, San Diego)

A highly engaging and penetrating study of the most significant and influential philosophical approaches to ancient Greek tragedy that have emerged over the past two centuries. **Leonard**'s profound familiarity with the Classical texts and with the modern history of ideas is exemplary. (John Hamilton, Harvard University)

Incisive…Amply demonstrate[s] how studying the reception of the classics, and our engagement with the past, can provide guidance for the present. (Daisy Dunn *Times Literary Supplement* 2016-01-20)

About the Author
Miriam Leonard is Professor of Greek Literature and Its Reception at University College London.

Users Review

From reader reviews:

Kathleen Dominguez:

What do you about book? It is not important along with you? Or just adding material if you want something to explain what the one you have problem? How about your time? Or are you busy man? If you don't have spare time to do others business, it is make one feel bored faster. And you have spare time? What did you do? All people has many questions above. They have to answer that question since just their can do that will. It said that about guide. Book is familiar in each person. Yes, it is appropriate. Because start from on jardín de infancia until university need that Tragic Modernities to read.

Linda Bryant:

The knowledge that you get from Tragic Modernities may be the more deep you searching the information that hide into the words the more you get considering reading it. It doesn't mean that this book is hard to be aware of but Tragic Modernities giving you buzz feeling of reading. The copy writer conveys their point in particular way that can be understood simply by anyone who read that because the author of this book is

Lionel Gutierrez:

Reading a publication can be one of a lot of exercise that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people love it. First reading a book will give you a lot of new details. When you read a reserve you will get new information mainly because book is one of many ways to share the information or perhaps their idea. Second, reading a book will make a person more imaginative. When you reading through a book especially fictional works book the author will bring someone to imagine the story how the personas do it anything. Third, you may share your knowledge to some others. When you read this Tragic Modernities, you are able to tells your family, friends and also soon about yours e-book. Your knowledge can inspire the others, make them reading a e-book.

Steven Delorme:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Tragic Modernities can make you experience more interested to read.
