French Criminal Law By Catherine Elliott

This book provides a clear and accessible account and analysis of French criminal law in English, the first to have been written.

French criminal law has been highly influential in the development of criminal law in civil law countries around the world, and a knowledge of French criminal law has become increasingly important in view of the internationalisation and Europeanisation of criminal law.

The book provides a historical introduction to the development of French criminal law, and a chapter on French criminal procedure to provide the context for an understanding of substantive criminal law. Subsequent chapters cover the general principles of French criminal law, analysing actus reus, mens rea, parties to crime, inchoate offences and general defences. The major offences are then considered chapter by chapter, and an Appendix provides in both French and English the key provisions of the French Criminal Code.

Users Review

From reader reviews:

Tara Wilson:

The book French Criminal Law make one feel enjoy for your spare time. You should use to make your capable much more increase. Book can to be your best friend when you getting strain or having big problem with your subject. If you can make examining a book French Criminal Law to be your habit, you can get much more advantages, like add your own capable, increase your knowledge about a number of or all subjects. You may know everything if you like start and read a guide French Criminal Law. Kinds of book are a lot of. It means that, science book or encyclopedia or other individuals. So , how do you think about this reserve?

Dennis Scott:

In this 21st millennium, people become competitive in each way. By being competitive currently, people have do something to make these people survives, being in the middle of the crowded place and notice simply by surrounding. One thing that occasionally many people have underestimated it for a while is reading. That's why, by reading a book your ability to survive raise then having chance to endure than other is high. To suit your needs who want to start reading any book, we give you this French Criminal Law book as beginner and daily reading book. Why, because this book is greater than just a book.

Roger Lee:

As people who live in the actual modest era should be upgrade about what going on or facts even knowledge to make these people keep up with the era that is certainly always change and move ahead. Some of you maybe may update themselves by reading through books. It is a good choice for you but the problems coming to an individual is you don't know which one you should start with. This French Criminal Law is our recommendation to make you keep up with the world. Why, since this book serves what you want and need in this era.

Debra Espiritu:

Reading a book tends to be new life style with this era globalization. With studying you can get a lot of information that could give you benefit in your life. Using book everyone in this world could share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their very own reader with their story as well as their experience. Not only situation that share in the guides. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors these days always try to improve their ability in writing, they also doing some exploration before they write to their book. One of them is this French Criminal Law.
