Honest Love (London Brothers Book 1) By CM Hutton

FOR MATURE AUDIENCES ONLY

Starting over was never easy for anyone.

I'd heard the stories over and over.

But after the hell my ex-husband had put me through over the last year, over the last twenty years…well, I was ready to move on, repair what was left of my shattered heart and find someone to share my life with—someone who would put me first.

I deserved it. I'd done my time being in her shadow, being a cheap understudy, always second. For. All. Those. Years.

Never again.

Our move to San Diego provided a fresh start, a new place away from all the hurt and memories. Life as a single mom to three teenagers had its' challenges, but we were adjusting and my kids were doing well.

It was time to focus on my happiness, for once. I had a huge capacity to love and I wanted to share my love with a man that respected it, accepted it and gave it in return.

It was just a matter of time before he found me and showed me what true, honest love was all about.

Editorial Review

About the Author
I’m a wife, a mom of three, a friend, an aunt, a sister, a daughter and a teacher. Now, I can add writer to my list! I’ve always wanted to write and finally found inspiration and support to do it. I live near Austin, Texas with my family and love to read and travel. Put me on a beach with a good book and the world just disappears around me. Paradise Taken was my first novel and is a highly emotional book based on true events. Its sequel (Saving Us) is due out February 2014. Loving Her was the second book I wrote after needing a little time off from Paradise Taken. It is a story close to my heart. I love that you are willing to take a chance on a new writer and promise to keep striving to put out great books! ?If you don't like my books, that's okay. Just please be gentle on my fragile ego. ;) I'd love to chat with you, so look me up on any of my social pages. Happy Reading. :) CM Hutton cm.hutton@yahoo.com
