Ghost (Paladin of Shadows Book 1) By John Ringo

Former SEAL Michael Harmon, Team Name "Ghost", retired for service injuries, is not enjoying college life. But things are about to change, if not for the better. When he sees a kidnapping a series of, at the time logical, decisions leave him shot to ribbons and battling a battalion of Syrian commandos with only the help of three naked co-eds who answer to the names ¿Bambi,¿ ¿Thumper¿ and ¿Cotton Tail.¿ A fast-paced, highly-sexual, military-action thriller that ranges from a poison factory in the Mideast to the Florida Keys to Siberia, the novel will keep you guessing what twisted fate will bring next for the man once known as . . . Ghost. Keep an eye on him or . . . *poof*, he'll be gone.

Editorial Review

From Publishers Weekly
Fans of Ringo's military SF epics (*Into the Looking Glass*) may at first think Mike Harmon, the hero of this unusual novel, is cut from the same cloth as Mike O'Neal from the Posleen War series (*Watch on the Rhine*, etc.). Like O'Neal, Harmon is a former Navy SEAL trying to adjust to civilian life who gets sucked back into action by circumstances, in particular by his witnessing the kidnaping of a college coed by jihadists. It becomes clear, though, that Harmon has a darker side, to which, by late in the book, as illustrated by a shocking scene in a Bosnian brothel, Harmon has almost completely surrendered. More techno-thriller than SF, this is a picaresque tale about a modern Barry Lyndon who resists, with equivocal results, baser instincts brought out by extreme stress. It's refreshing to find a successful popular writer who's not afraid to try something different, and the adventurous reader will find Ringo's latest insightful, exciting and outrageously funny. *(Oct.)*
