Isobel Stonecrow agrees to help him find the truth. With her powers of necrocognition, she can speak to the dead and get the real story.

But when they return to the crime scene, they find a lot more than cadavers. They find a nightmare that they can't escape—a nightmare from Isobel's past, which even she can't completely remember thanks to the contract that signed away her soul.

Cèsar will have to disinter Isobel's secrets to save her. He'll learn who Isobel used to be, what she's done, and the price she paid…no matter how deadly the knowledge might be.
