Shattered Sword: The Untold Story of the Battle of Midway By Jonathan Parshall, Anthony Tully

Many consider the Battle of Midway to have turned the tide of the Pacific War. It is without question one of the most famous battles in history. Now, for the first time since Gordon W. Prange's bestselling *Miracle at Midway*, Jonathan Parshall and Anthony Tully offer a new interpretation of this great naval engagement. Unlike previous accounts, *Shattered Sword* makes extensive use of Japanese primary sources. It also corrects the many errors of Mitsuo Fuchida's *Midway: The Battle That Doomed Japan*, an uncritical reliance upon which has tainted every previous Western account. It thus forces a major, potentially controversial reevaluation of the great battle. The authors examine the battle in detail and effortlessly place it within the context of the Imperial Navy's doctrine and technology. With a foreword by leading WWII naval historian John Lundstrom, *Shattered Sword* will become an indispensable part of any military buff's library. Winner of the 2005 John Lyman Book Award for the "Best Book in U.S. Naval History" and cited by *Proceedings* as one of its "Notable Naval Books" for 2005.

Editorial Review

Review

“To really know about the Battle of Midway, you must read this book.”—John B. Lundstrom, author of *The First Team: Pacific Naval Air Combat from Pearl Harbor to Midway*
(John B. Lundstrom)

“Jon Parshall and Anthony Tully explain, in an entirely new light and from a fresh perspective, how the Japanese navy fought the Battle of Midway. Extensively researched, soundly reasoned, and engagingly and colorfully written, *Shattered Sword* is the most original piece of scholarship on this decisive event since John B. Lundstrom’s groundbreaking *The First Team.”*—Robert J. Cressman, editor and principal author of *A Glorious Page in Our History: The Battle of Midway*
(Robert J. Cressman)

“At last, the Japanese side of the Battle of Midway has been limned in English with accuracy, lucidity, authority, and objectivity. The authors’ specialized knowledge of the tactics and technologies of Japanese naval air power, their careful reading of surviving Japanese air unit records, and their appreciation of the larger meaning of the battle combine to give us a combat narrative and analysis that superbly balance expert detail and grand historical import. I suspect it of being a classic.”—Mark R. Peattie, author of *Kaigun: Strategy, Tactics, and Technology in the Imperial Japanese Navy, 1887-1941* and *Sunburst: The Rise of Japanese Naval Air Power, 1909-1941*
(Mark R. Peattie)

“A lot has been written about Midway since 1945. Yet everyone who thinks that they know the last word about this momentous event must examine Jonathan Parshall and Anthony Tully’s book on the subject. *Shattered Sword*, packed with new information, will certainly become the definitive volume on the most important naval battle of World War II.”—Eric Bergerud, professor of military and American history at Lincoln University and author of *Touched with Fire: The Land War in the South Pacific*
(Eric Bergerud)

“This incredibly detailed book provides a whole new approach to the study and interpretation of the battle."—*Ships and Shipping*
(*Ships and Shipping* 2007-11-12)

“*Shattered Sword* [is] a necessary read for anyone interested in the Pacific War.”—*NYMAS Review*
(*NYMAS Review* 2008-11-06)

Review
"To really know about the Battle of Midway, you must read this book."

"A lot has been written about Midway since 1945. Yet everyone who thinks that they know the last word about this momentous event must examine Jonathan Parshall and Anthony Tully's book on the subject. *Shattered Sword*, packed with new information, will certainly become the definitive volume on the most important naval battle of World War II."

"This meticulously researched and thoroughly documented study is an essential corrective. It is essential reading for anyone interested in carrier aviation, past, present, or future. Although imposing in scale, *Shattered Sword* is a bargain, and a highly engaging read. Every page seems to throw up a new perspective - from the pathetically low Japanese aircraft production figures, to the political infighting both within the Naval High Command and between the services. The best naval history book of 2005."

Review
"While most of their predecessors have fallen into the same mold - looking at the battle from the American vantage only - Parshall and Tully break new ground in bringing the Japanese perspective into the picture.... The authors state that their book attempts to do three things - present the battle from the Japanese side, study it almost exclusively from an aircraft carrier viewpoint, and point out the errors and exaggerations in a group of myths that have surrounded the battle. The authors succeed in all three goals.... [They] have produced a superb volume."

From reader reviews:

Betty Smith:

Do you considered one of people who can't read gratifying if the sentence chained inside straightway, hold on guys this particular aren't like that. This Shattered Sword: The Untold Story of the Battle of Midway book is readable by means of you who hate those perfect word style. You will find the info here are arrange for enjoyable looking at experience without leaving actually decrease the knowledge that want to deliver to you. The writer associated with Shattered Sword: The Untold Story of the Battle of Midway content conveys the thought easily to understand by a lot of people. The printed and e-book are not different in the articles but it just different by means of it. So , do you continue to thinking Shattered Sword: The Untold Story of the Battle of Midway is not loveable to be your top list reading book?

Carl Adams:

Your reading sixth sense will not betray an individual, why because this Shattered Sword: The Untold Story of the Battle of Midway book written by well-known writer who really knows well how to make book which can be understand by anyone who else read the book. Written within good manner for you, dripping every ideas and writing skill only for eliminate your current hunger then you still hesitation Shattered Sword: The Untold Story of the Battle of Midway as good book not only by the cover but also from the content. This is one guide that can break don't judge book by its handle, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your reading through sixth sense already told you so why you have to listening to one more sixth sense.

Kenneth Poor:

In this era which is the greater individual or who has ability in doing something more are more special than other. Do you want to become considered one of it? It is just simple way to have that. What you are related is just spending your time not much but quite enough to enjoy a look at some books. One of several books in the top checklist in your reading list is actually Shattered Sword: The Untold Story of the Battle of Midway. This book and that is qualified as The Hungry Hillsides can get you closer in getting precious person. By

looking way up and review this e-book you can get many advantages.

Daniel Young:

As a university student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Shattered Sword: The Untold Story of the Battle of Midway can make you experience more interested to read.
