Del inconveniente de haber nacido (Spanish Edition) By E. M. Cioran

Un autor de culto.

Taurus recupera uno de los textos clave de la obra de E. M. Cioran. Estos aforismos, escritos en su etapa de madurez, condensan su pensamiento de manera tan lacónica como eficaz y coherente, y constituyen un hallazgo decisivo para cualquier amante de las paradojas y la ironía.

Tallados con precisión, hablan del tiempo, de Dios, de la religión, del silencio, de la muerte y del nacimiento, «una casualidad, un accidente risible». En ellos conviven una devastadora lucidez junto a un humor sin límites, y la lógica más aplastante junto al mayor contrasentido. Opuesto al optimismo y la autocomplacencia de un modo radical, Cioran no desalienta, tiene el talento de fortalecer.

«Las contradicciones de Cioran, lejos de invalidar su obra, más bien revelan la fuerza y la belleza de esta.»

Éric Chevillard, *Le Monde*
