Ethics Desk Reference for Counselors, Second Edition By Jeffrey E. Barnett, W. Brad Johnson

This concise handbook provides counselors with a quick reference to interpret and apply the 2014 ACA Code of Ethics to practice. Intended as a brief synopsis of the Code, the Ethics Desk Reference for Counselors contains on-point recommendations related to each section of the Code; helpful summaries on related topics, including ethical decision making, managing ethical crises, and risk prevention and management; a decision-making model; and a listing of ethics resources. This is a highly practical and indispensable tool for all counselors and counseling students to use when navigating challenging ethical situations and applying the Code to professional roles and activities.

Part I presents each section of the Code, along with a brief commentary that emphasizes
its most essential elements, common ethical dilemmas and problems relevant to that
section, and specific strategies for risk prevention and positive practice. Part II contains
ethical guidance sections focused on areas that counselors often encounter in their work,
including culture and diversity, confidentiality and exceptions to confidentiality, counseling
suicidal clients, multiple relationships
in counseling, competence, supervision, managed care,
termination and abandonment, and how to respond to an ethics complaint or malpractice
suit. New to this edition is a section titled "Integrating Technology Into Counseling Practice."

Editorial Review

Review

“Barnett and Johnson have produced an essential resource for counselors who aspire to best practices in interpreting and applying the 2014 ACA Code of Ethics. When counselors encounter an ethical dilemma or complex question, they would be prudent to consult this ready reference guide. This resource belongs on the desk of every conscientious counselor.” —***Barbara Herlihy***, PhD University of New Orleans

“Barnett and Johnson bring their considerable experience as ethicists to this comprehensive, well-written volume. All practicing counselors need grounding in where our profession is, and where it is going, and with complete sections on technology and diversity issues, this book more than fills the bill.”
—***Douglas C. Haldeman***, PhD John F. Kennedy University

Users Review
