*NEW UPDATES TO ACLS PROVIDER HANDBOOK *
NHCPS recently released an updated version of their Advanced Cardiac Life Support (ACLS) Provider Handbook that includes several constructive improvements to an already exceptional handbook. A few of these key features include: elimination of all formatting/sizing issues, enhanced algorithms, and improved overall quality and content of the information presented throughout. With these updates, NHCPS proudly offers one of the most effective and user-friendly ACLS Provider Handbooks on the market.

Advanced Cardiac Life Support (ACLS) Provider Handbook, presented by National Health Care Provider Solutions (NHCPS), is a comprehensive resource intended for health care professionals currently enrolled in an Advanced Cardiac Life Support Certification or Recertification Course. It serves as the primary training material for ACLS Certification and Recertification courses provided by National Health Care Provider Solutions (www.nhcps.com). Although it is predominantly intended for use during certification courses, the handbook was also created to serve as daily reference material for both health care professionals and non-health care professionals alike.

Information covered in the handbook includes proper procedures and recommended instructions for multiple emergency scenarios, including respiratory arrest, symptomatic bradycardia, acute stroke and more. Full-page, comprehensive ACLS Algorithms, tables, images and other visual tools are spread throughout the handbook. All material included in this handbook are delivered in a manner intended to enhance learning in the most comprehensive and convenient way possible.
