The Best Man's Handbook By James Grace

The wedding book market is a crowded one, but it focuses largely on the needs of the bride. This fun, practical, and informative guide details the duties, etiquette, and potential pitfalls of being a best man, from the pre-ceremony events to the after-hours party. It's the most comprehensive book on the subject, with wisdom culled from many sources, full of essential tips for everything from planning the bachelor party to making the toast. The elegant trim size makes it a perfect gift for the best man-to-be, but this is more than simply a gift book-it's a valuable tool for an important day.
