The First Epistle to Corinthians (Black's New Testament Commentary) By C. K. Barrett

Since its appearance nearly 35 years ago, Black's New Testament Commentary Series has been hailed by both scholars and pastors for its insightful interpretations and reliable commentary. Each book in the series includes: an insightful introduction to the important historical, literary, and theological issues; key terms and phrases from the translation highlighted in the commentary where they are discussed; explanations of special Greek or foreign terms; references to important primary and secondary literature; and a Scripture index.

Perhaps more than any other Pauline letter, 1 Corinthians is known for affording insight into the nature and world of the earliest Christian communities. Whether it concerns Corinthian disputes over "wisdom," debates over "speaking in tongues," or questions about "resurrection," 1 Corinthians shows us the early church "warts and all." And that is what makes it such excitingÂ—and relevantÂ—reading today! Eminent New Testament scholar C. K. Barrett makes the text come alive both in its original setting and in the life of the church today. Barrett's arguments will challenge even the most seasoned scholars to rethink their interpretation of the many controversial passages.

Editorial Review

Review
"This is a commentary which is both scholarly and religious, both readable and erudite. . . . Barrett has a marvelous gift of helping the reader to see not only what Paul is saying, but what he is saying it about. . . . a commentary destined to be subject to the rigorous test of constant use."
G. B. Caird, Expository Times --*Review*

About the Author
C. K. Barrett is Emeritus Professor of Divinity at the University of Durham. He is especially known for having authored numerous scholarly articles and books, including *Commentary on St. John, The First Epistle to the Corinthians, The Second Epistle to the Corinthians* (Black's New Testament Commentary), and *The New Testament Background: Selected Documents.*

Users Review
