An army of shadows has been amassed. Its one goal: to destroy the Pirate Lords for their Shadow Master--an alchemist who has created a special gold that grants him unfathomable power. But the soothsayer, Tia Dalma has other plans for the Lords and cannot allow them to be destroyed. So she calls on the one man who can turn the tide--Captain Jack Sparrow...

If he fails, she warns, the seas will become the playground of shadows and those who survive their reign of terror will wish they had not.
