The Beauty of Imperfection, The Dick Contino Story By Dick J. Contino, Corky Bennett

This is the autobiography of legendary superstar accordionist, Dick Contino, transcribed from audio tape. This no-holds-barred accounting of his life reveals his history, thoughts and anecdotes. The book also reveals his battles with extreme phobias, incarceration, gambling, drinking, and indiscretions. It also details his love affair with actress, Leigh Snowden and their children. The story also includes his current life with his lovely wife, Tonia. Dick Contino has led a very interesting life, to say the least. He became a superstar on the Horace Heidt radio show in the late ‘40s. His subsequent Army problem and prison sentence made major headlines. He became a household name. He was honorably discharged as a Staff Sergeant and received a Presidential pardon. Many people, still, do not believe he served his country. Dick is not only a world-class musician, but also one of the premier entertainers of our time. He is absolutely magical on stage, garnering standing ovations every show. He exudes warmth and passion beyond belief. He performed on the Ed Sullivan Show more times than any other entertainer. This is a very interesting, intriguing, and compelling story. Dick Contino may be the most misunderstood celebrity of all time.
