The Croc Ate My Homework: A Pearls Before Swine Collection (Pearls Before Swine Kids) By Stephan Pastis

?The *Pearls Before Swine* crew is back in their second collection of cartoons for the middle-grade crowd!

?Always witty and clever, and sometimes irreverent, *Pearls Before Swine*'s sarcastic take on life appeals to fans of all ages. In this second collection of cartoons specially chosen for young readers, the troupe of characters is back to entertain with dark humor and off-the-wall puns. Know-it-all Rat is always at the center of the action, accompanied by slow-witted Pig who is innocently oblivious to most of Rat's jabs. Rounded out with high-browed Goat, the mild and vulnerable Zebra, and the hilariously inept Crocs, the cast is ready to provide hours of reading fun.

Editorial Review

From School Library Journal
Gr 3–7—A follow-up to the first collection of the creator's Pearls Before Swine comics (Andrew McNeels, 2013), this entry will no doubt provide laughs for middle grade fans of his "Timmy Failure" books (Candlewick). This second work focuses on the Croc family and their seemingly never ending attempts to hunt familiar characters Zebra, Rat, Pig, and Goat. Like Wile E. Coyote's infinite quest after the Roadrunner, the Crocs try, and fail, to get by on their less-than-stellar smarts. The bright, full-color strips full of puns and sarcasm will delight kids with snarky and irreverent sense of humor. On par with the jokes in Lincoln Peirce's wildly popular "Big Nate" series (HarperCollins), this title will make a welcome, and well-circulated addition to any library hoping to expand its graphic novel collection for tweens.—John Trischitti, Midland County Public Libraries, TX

"…this entry will no doubt provide laughs for middle grade fans of his “Timmy Failure” books (Candlewick)…The bright, full-color strips full of puns and sarcasm will delight kids with a snarky and irreverent sense of humor…this title will make a welcome, and well-circulated addition to any library hoping to expand its graphic novel collection for tweens." (John Trischitti, School Library Journal)

"This would make a nice follow-up read for kids who have finished *Timmy (Failure)*." (Travis Jonker, School Library Journalâ€™s â€œ100 Scope Notesâ€ blog)

"The heavily sarcastic tone will likely appeal to youngsters, who can appreciate making fun of everything around them." (Johanna Draper-Carlson, Comics Worth Reading)

"It’s endearing and hilarious and makes readers laugh out loud. The illustrations are crisp and colorful like a comic should be and the way Stephan Pastis depicts the animals is super cute...This collection offers a huge variety of themes...And the dialogue between characters is unique and savvy." (Debbie Glade, Smart Books for Smart Kids)
