REVIVED is a STANDALONE, CONTEMPORARY ROMANCE NOVEL from the New York Times, Wall Street Journal and USA Today Bestselling author of REVVED. India Harris didn't have the best start in life. Abandoned as a baby, she and her twin brother, Kit, spent their lives in foster care, only having each other to rely on. Then, at a young age, a relationship with the wrong man left India pregnant. Wanting to give her son the life she never had, she put herself through school and graduated with honors. Now, at the age of thirty, she's a highly respected therapist. At the top of his game as a Formula One driver, Leandro Silva had everything—until an accident on the track left him staring death in the face. After enduring twelve months of physical therapy, Leandro is now physically able to race, but his mind is keeping him from the track. Frustrated and angry, Leandro's days and nights are filled with limitless alcohol and faceless women. Entering the last year of his contract, he knows he has to race again, or he'll lose everything he spent his life working for. Forced into therapy to get his life back, Leandro finds himself in the office of Dr. India Harris. Falling for his uptight therapist is not part of Leandro's plan. Having unethical feelings for her patient, the angry Brazilian race car driver, is not part of India's plan. But what if the wrong person is the only person who is right? REVIVED follows a character that was previously introduced in the novel REVVED, but you do NOT need to read Revved beforehand as Revived is its own story and is a complete standalone novel. Full length, Standalone, Adult Contemporary Romance. Recommended Reading Age 18+
