Editorial Review

Review
"Presents Reformed (or Van Tillian) apologetics in genuinely popular language. . . . In this respect, Pratt's book is something of a breakthrough. I would expect and hope that this accomplishment will give the book a wide hearing." --**John M. Frame**

"Richard Pratt has written a manual to help ordinary people engage in apologetics along the lines of Van Til's approach. In the process he has translated the philosophical terminology of Van Tillian apologetics into everyday language. . . . both sound and stimulating." --**Journal of the Evangelical Theological Society**
