1 And 2 Samuel: An Introduction and Commentary (Tyndale Old Testament Commentaries) By Joyce G. Baldwin

Recipient of a 1990 Christianity Today Critics' Choice Award!The stories of Samuel, Saul and David are among the most memorable in the Old Testament. Yet the lives of these individuals are wound up in the larger story of God's purpose for his people. Looking beyond the well-known surface of these stories Joyce Baldwin explores the meaning of the biblical history of Israel's vital transition from a confederation of tribes to nationhood under a king.Bible students at all levels will find that this commentary provides an excellent introduction to the critical issues of authorship, date, composition and structure of Samuel, as well as an able discussion of its theological themes. Written in a clear and straightforward style, here is a worthy addition to the acclaimed Tyndale Commentary Series.

Editorial Review

Review
"The Tyndale volumes have long been the premier shorter-length commentary series on both Testaments throughout the English-speaking world." (Craig Blomberg, Denver Seminary)

"Tyndale commentaries are always useful, not least because they focus so clearly on the text of Scripture, and do not fall into the trap of paying too much attention to other commentaries and not enough to the scriptural text they are intended to expound and explain. So they retain their usefulness for preachers, Bible study leaders and for all readers of the Bible." (Peter Adam, principal, Ridley College, Melbourne, Australia)

"Within its constraints, this series includes some outstanding volumes." (D. A. Carson, Trinity Evangelical Divinity School)

"There simply is no series of medium-length commentaries that approaches the excellence of the Tyndale commentaries." (Donald A. Hagner, Fuller Theological Seminary)

About the Author
Joyce G. Baldwin (B.A., B.D.) was principal of Trinity College, Bristol, and wrote several volumes in the Tyndale Old Testament Commentary series. She died in 1996.

Users Review

From reader reviews:

Mark Feaster:

As people who live in the modest era should be change about what going on or data even knowledge to make these people keep up with the era which is always change and make progress.
