All Yours, Stranger: Some Mysteries are Dangerously Sexy By Novoneel Chakraborty

For those of you who don’t know me yet, I’m Rivanah Bannerjee, a Kolkatan trying to find her footing in Mumbai. Even though I’m currently in a relationship with a great guy, I can’t help but miss my ex-boyfriend despite knowing that he cheated on me. But that’s the least of my worries. The stranger has gone missing since the police tried to nab him unsuccessfully. Where is he? What does he want from me? Why did he come into my life in the first place? Will he ever contact me again? These and many more questions continue to torment me every day.
I’m desperate for the stranger to come back to me, knowing full well that he may destroy me forever. But then that’s the sexiest thing I have ever known about someone.
With every revelation, it seems the truth is far more twisted than Rivanah can imagine. Wickedly plotted, All Yours, Stranger—Novoneel Chakraborty’s gripping follow-up to his hugely popular Marry Me, Stranger—will keep you on the edge of your seat until the last page.
This is Book Two of the Stranger Trilogy
