Editorial Review

Review
"4 Stars! In this delightful, poignant debut that sets Bowen on the path to become a beloved author, the innovative plotline and ending are only superseded by the likable, multidimensional characters: a strong-willed heroine and a heart-stealing hero. Get set to relish Bowen's foray into the genre."?***RT Book Reviews***

"A delightful story that will warm your heart and keep the pages turning as fast as you can."?***Teresa Medeiros, New York Times*** **bestselling author**

"Fans of Julia Quinn and Sarah MacLean will adore *I've Got My Duke to Keep Me Warm,* with its quick banter, engaging heroine, and quirky cast of side characters (including poultry)!"?***Lauren Willig, New York Times*** **bestselling author**

About the Author
Kelly Bowen grew up in Manitoba, Canada. She worked her way through her teenage years as a back country trail guide and ranch hand and spent a year working on a cattle station in Australia. She attended the University of Manitoba and earned a Master of Science degree in veterinary physiology and endocrinology. But it was Kelly's infatuation with history and a weakness for a good love story that led her down the path of historical romance. When she is not writing, she seizes every opportunity to explore ruins and battlefields. Currently, Kelly lives in Winnipeg with her husband and two boys, all of whom are wonderfully patient with the writing process. Except, that is, when they need a goalie for street hockey.
