**Friends to the End: The True Value of Friendship** By Bradley Trevor Greive

This is the first paperback edition of the classic gift book.

"In *Friends to the End,* I have tried to address some of the profound and amusing aspects of friendship in a way that offers pause for thought and more than a few reasons to laugh out loud. I hope this little book helps us all appreciate those people in our lives whom we both adore and sometimes want to strangle, but at the end of the day, we simply couldn't live without--our friends." --Bradley Trevor Grieve

Friends and life. Life and friends. The two are so tightly interwoven it's impossible to imagine one being remotely worthwhile without the other. As Bradley Trevor Greive points out, "There are very few truly solitary creatures on this planet. And most of them have serious personal hygiene issues."

What makes friends so special? What does our choice of friends say about us? What sparks the best friendships and keeps them burning? In *Friends to the End: The True Value of Friendship,* BTG uses his trademark witty narrative illustrated with irresistible animal photos to explore the daily magic we experience through our friends. Best described as a cross between his famously successful *Dear Mom* and *The Blue Day Book, Friends to the End* examines themes such as why we can't live without friends, how great friendships grow from humble beginnings, how to identify different types of friendship, what to do when good friends turn bad, and why it's all so worthwhile.

"When I think back to all the really great or the horrendously bad times in my life," says BTG, "I can't help but think about how my friends made the former all the more enjoyable and the latter at least survivable. I want this book to help people appreciate friendship for all it is and all it can be."

* NOTE: The price on the cover is an easily removable sticker.

## Editorial Review

Review
"In Friends to the End, I have tried to address some of the profound and amusing aspects of friendship in a way that offers pause for thought and more than a few reasons to laugh out loud. I hope this little book helps us all appreciate those people in our lives whom we both adore and sometimes want to strangle, but at the end of the day, we simply couldn't live without--our friends."

About the Author
?Since the debut of his international bestseller *The Blue Day Book*, Bradley Trevor Greive has become a household name in more than 115 countries. A former Australian paratrooper, BTG left the army to pursue more creative misadventures. He has been bitten by wild monkeys and rabid bats and was accepted into Russia's cosmonaut training program--though those incidents were, by and large, unrelated. BTG spends most of his time in a tiny Tasmanian hamlet.

## Users Review

**From reader reviews:**

**Stephen Rael:**
