Jude; The Fallen (The Fallen Series, Book 2) By Tara S. Wood, Lorecia Goings

Six angels once sat at the right hand of The Almighty, but an ill-fated decision cast them out of Heaven. Now they serve Him on Earth, slaying demons for their redemption. They are…The Fallen.
“Remember, angel, all ways in the end return to Me.”
Jude knows pain. He feels it with every inhale and exhale of breath. It is a constant on his mind and on his skin; a reminder of the depth of his disobedience. And his cruelty. With his fall from grace, he walks the Earth with his brothers, their steps set on a shadowed path to redemption, killing demons in His name. The angel of Vengeance may not have his wings, but he still burns.
Coriander Rhodes finds things. The intrepid little archaeologist sniffs out relics buried for eternity with the determination of a bloodhound and the arrogance of the devil. Her brash nature and bold tongue keep the big angel on his toes, inflaming and infuriating him at the same time.
When danger strikes at the heart of the angels’ inner circle, Jude discovers he is faced with a task far greater than he has ever known. The light must be protected at all costs, in all of its forms. The ultimate evil has a plan, and with the most innocent among them at stake, Jude knows he’ll finally have to face his sins and meet the pain in his soul dead on. Coriander’s touch is the only thing that soothes, but is it enough to make him whole? Can she help him work through the pain long enough to remember his faith, or will he be forever…fallen?
