More than the Tattooed Mormon By Al Carraway

Al Fox Carraway has spent the last four years inspiring the world with her story of conversion, redemption, and finding faith. As a blogger, social media personality, and award-winning public speaker, her message has reached millions. This moving biography and up-close account of her life and membership in The Church of Jesus Christ of Latter-day Saints (sometimes called the "LDS" or "Mormon" church) will show you what it means to truly trust in the Lord.

"Don't go, Al. You won't fit in."

Being baptized and following the Lord has made Al's life harder than it ever was before. She endured criticism from friends and family for becoming a Mormon. She faced harsh judgments from Church members for her appearance. She gave up everything and felt more alone than she ever had in her life. All because she chose God.

Now she shares an up-close look at how trusting God has led her to places she never expected. As a blogger, YouTuber, and award-winning public speaker, her message has reached millions. Sharing her love of the Savior, Al goes beyond her own conversion and encourages readers to choose God above anything else. This uplifting book inspires readers to build a true relationship with the Lord that will bring them real, lasting happiness.

Endorsements for *More than the Tattooed Mormon*

"Al Fox Carraway is a wonderfully fresh combination of energy, humor, and testimony. At first, you might think this book is all about Al. But the more you read, the more you will find personal motivation to keep going, to keep trying, and to stay close to the Lord through all of life's challenges."
--John Bytheway, author of *How Do I Know If I Know?*

"Al shares her story with frankness and passion. She fills each chapter with memorable insights and true wisdom. But this book isn't really about Al. It is about God and you! It is about the transformation that is possible for all of us through the Atonement of Jesus Christ."
--Brad Wilcox, professor at Brigham Young University, author of *The Continuous Atonement* and *The Continuous Conversion*

"Al takes you on one of the most faith-building journeys you'll ever experience. Al is real. Al is authentic. . . . Al's story will bring you closer to Christ."
--Hank Smith, PhD, bestselling LDS author and speaker, BYU religion instructor

Editorial Review

Review
I've followed Al Carraway's blog for the past two years, and even though I've looked forward to every post and video, when she shared the news that she was writing a book I was a little worried... Would it just be a collection of her already published blog posts? Would it be something sterilized, something lacking her spirit and wisdom? For those who even remotely feel the same way, I promise this is not the case! Al has been able to write about her conversion and her faith from an even fresher perspective. She is able to share more personal details with the reader, which are used to help keep the spirit close as you read. Even more, the book is split into two parts: "my story" and "your story". In doing so, Al is able to teach by example and inspire us to do as she has done: live fearlessly by faith, never give up, and help build the Kingdom of God here on earth. This is a special story that I would share with my Young Women, my non-member family, and even my friends. You can tell that Al Carraway prayed for guidance during every step of writing his book, and I look forward to reading it again. --Amazon - Jenna Marie

I'm incredibly picky when it comes to my reading material. I can honestly say that not many religious books make the cut but I read Al's book in a matter of 2 days. I've been a member all my life dealing with my own problems and was incredibly touched with the words she had to say. I strongly recommend this book to anyone willing to apply what she has shared. If you're an active member this book is refreshing and will encourage you to do better and help others along your way. If you're struggling with anything, even attending church less than you should- this provides hope and reassures that you are not alone and that this gospel is worth so much. If you're not a member but just curious- read it and hopefully it will spark some interest in you to further seek out information about our church. Great Job Al and keep inspiring! --Amazon - Morgan Vande Sande

This young woman has been tried inside and outside the church but has learned to remain true no matter where the criticism comes. This book reminds me of Tebow's book Shaken which I read not long ago. Both have found trials in their life that took them in directions that wouldn't have chosen on their own but with God's guidance have found treasures they didn't know about. An enjoyable read, expect plenty of religion written in the language of encouragement. --Amazon - Dallas Lauchner
