Black Ice By Becca Fitzpatrick

Danger is hard to resist in this sexy thriller from Becca Fitzpatrick, the *New York Times* bestselling author of the Hush, Hush saga.

Britt Pheiffer has trained to backpack the Teton Range, but she isn't prepared when her ex-boyfriend, who still haunts her every thought, wants to join her. Before Britt can explore her feelings for Calvin, an unexpected blizzard forces her to seek shelter in a remote cabin, accepting the hospitality of its two very handsome occupants—but these men are fugitives, and they take her hostage.

Britt is forced to guide the men off the mountain, and knows she must stay alive long enough for Calvin to find her. The task is made even more complicated when Britt finds chilling evidence of a series of murders that have taken place there…and in uncovering this, she may become the killer's next target.

But nothing is as it seems, and everyone is keeping secrets, including Mason, one of her kidnappers. His kindness is confusing Britt. Is he an enemy? Or an ally?

"Rife with psychological twists exploring themes of revenge, misogyny, and familial duty" (*Publishers Weekly*), *Black Ice* is *New York Times* bestselling author Becca Fitzpatrick's riveting romantic thriller set against the treacherous backdrop of the mountains of Wyoming. Falling in love should never be this dangerous…

Editorial Review

From School Library Journal
Gr 9 Up—High school junior Britt Pheiffer transforms from weak and complacent to a strong survivor when she spends her spring break backpacking in the mountains of Wyoming. Britt and her best friend, Korbie, are stranded on their way up the mountain by an unexpected snowstorm. The girls stumble onto a cabin, which is sheltering Shaun and Mason. The two men, who at first appear to be an attractive silver lining, end up taking the girls captive. In order to survive, Britt must face not only her captors but a cold and dangerous landscape. While some of Britt's inner dialog becomes repetitive and some details of the mystery seem too convenient, teens looking for romance and adventure will get sucked in. They may also be able to identify with Britt's complicated and competitive friendship with Korbie and her conflicted feelings for her ex. Narrator Jenna Lamia does a superb job building suspense and varying inflection among the characters, as well as creating a believable and sympathetic voice for Britt. Give this to fans of Fitzpatrick's "Hush, Hush" saga (S. & S.) or teens who enjoyed April Henry's novels.—Rebecca Flannery, Lyman Memorial High School, Lebanon, CT

Review
5* - Black ice is filled with twists and turns that will surprise you and keep you guessing and flying through the pages until you find out exactly what the hell is going on... I hope Becca writes more books like it as I will be first in the queue for my copy when that happens. Bookaholics This book is amazing. Absolutely amazing. I loved Becca Fitzpatrick's Hush, Hush series and this is so different but still brilliant...It was pulse-pounding and pretty agonising to read as I chewed on my fingernails. Bookbabblers Fitzpatrick has written a novel that will easily stimulate debate and this is definitely going to be one of the most talked-about novels of 2014...readers will savour each word of this captivating, sexy thriller. Scott Reads It An edge of your seat style thriller packed with action and bad boys. Sugarscape A heart-wrenching, climatic book with huge plot twists and lots of drama with a hint of sweet romance. An excellent book by the extremely gifted author. Kynthia Ravikumar, age 14, for lovereading4kids.co.uk

About the Author
Becca Fitzpatrick is the author of *Black Ice*, *Dangerous Lies*, and the Hush, Hush saga, including *Hush, Hush*; *Crescendo*; *Silence*; and *Finale*—all of which debuted as *New York Times* bestsellers. She graduated college with a degree in health, which she promptly abandoned for storytelling. When not writing, she’s most likely running, prowling sales racks for shoes, or watching crime drams on TV. She lives in Colorado with her family. Find out more at BeccaFitzpatrick.com.

Users Review

From reader reviews:

Carol Rodgers:

Nowadays reading books become more than want or need but also work as a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book which improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want send more knowledge just go with education books but if you want really feel happy read one having theme for entertaining for instance comic or novel. The Black Ice is kind of book which is giving the reader unpredictable experience.

Richard Ortega:

In this era globalization it is important to someone to obtain information. The information will make you to definitely understand the condition of the world. The condition of the world makes the information quicker to share. You can find a lot of referrals to get information example: internet, paper, book, and soon. You will see that now, a lot of publisher which print many kinds of book. The book that recommended to your account is Black Ice this reserve consist a lot of the information in the condition of this world now. That book was represented just how can the world has grown up. The vocabulary styles that writer make usage of to explain it is easy to understand. The particular writer made some exploration when he makes this book. Honestly, that is why this book suited all of you.

Eugene Ruano:

Publication is one of source of understanding. We can add our information from it. Not only for students and also native or citizen need book to know the revise information of year to year. As we know those books have many advantages. Beside many of us add our knowledge, can also bring us to around the world. From the book Black Ice we can acquire more advantage. Don't you to be creative people? To get creative person must choose to read a book. Just choose the best book that ideal with your aim. Don't end up being doubt to change your life with this book Black Ice. You can more desirable than now.

Heather Garcia:

Reading a e-book make you to get more knowledge as a result. You can take knowledge and information originating from a book. Book is composed or printed or highlighted from each source in which filled update of news. In this modern era like at this point, many ways to get information are available for you actually. From media social including newspaper, magazines, science e-book, encyclopedia, reference book, new and comic. You can add your understanding by that book. Are you hip to spend your spare time to spread out your book? Or just seeking the Black Ice when you essential it?
