Editorial Review

Review
After 22 years of marriage, Lady In Waiting has given me a sense of security in Christ that I never experienced before. This book helped me realize that my earthly father, my husband, or anyone else could not provide security--only God can. What a freeing principle--not only for me, but also for my husband! Now my marriage is better than ever because I no longer have unrealistic expectations of him! -- *Jimmie Davis, Coordinator of Deaf Ministry, First Baptist Church in Atlanta*

I highly recommend Lady In Waiting to any woman with a passion for finding God's perspective on her life and future. Lady In Waiting provides great biblical teaching along with practical illustrations to apply to everyday challenges in being God's woman." -- *Nancy Wilson, Associate National Director, Campus Crusade for Christ*

Waiting is one of the most difficult aspects of being a woman in today's society. In Lady In Waiting we are given a set of principles derived from biblical truth and psychological insights that will challenge both the single and the married woman. --*Dr Elizabeth Francisco, Professor, Trinity International University*
