For Elise By Sarah M. Eden

In the sprawling gardens of their neighboring estates, childhood friends Miles and Elise spent countless pleasant days together in the spirited adventures of youth. They were inseparable—until Elise vanished without a trace. Miles searched, but Elise could not—or would not—be found . . . After years spent laboring on the family plantation in the West Indies, Miles Linwood is shocked by the unexpected news: he has inherited his distant cousin's estate and the title of Marquess of Grenton. Miles's return to England is tarnished by only one thing—he is still haunted by Elise's mysterious disappearance. So when he glimpses a woman with a startling resemblance to his lost friend, he's shaken to the core. This is no mere shadow of the past: it is truly Elise. But his dear friend has changed—to the point that he questions whether it is really her, though he knows it is. Accustomed to rescuing Elise from childhood escapades, Miles takes her and those in her care back to his estate, even as he struggles to understand her fear and mistrust. As their friendship and feelings slowly blossom again, the shocking truth of their separated years is revealed, and Miles realizes more than ever that he must protect Elise. She slipped away once, and he cannot lose her again.

Editorial Review

Users Review

From reader reviews:

Dennis Johnson:

Nowadays reading books become more than want or need but also turn into a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The data you get based on what kind of guide you read, if you want send more knowledge just go with knowledge books but if you want experience happy read one having theme for entertaining like comic or novel. The For Elise is kind of e-book which is giving the reader unstable experience.

Gregory Mendoza:

The reserve untitled For Elise is the guide that recommended to you you just read. You can see the quality of the book content that will be shown to a person. The language that writer use to explained their ideas are easily to understand. The article writer was did a lot of study when write the book, to ensure the information that they share for your requirements is absolutely accurate. You also could get the e-book of For Elise from the publisher to make you far more enjoy free time.

Theresa Frost:

This For Elise is great reserve for you because the content which is full of information for you who else always deal with world and get to make decision every minute. This specific book reveal it data accurately using great arrange word or we can claim no rambling sentences included. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but difficult core information with attractive delivering sentences. Having For Elise in your hand like keeping the world in your arm, data in it is not ridiculous 1. We can say that no e-book that offer you world within ten or fifteen second right but this reserve already do that. So , this is certainly good reading book. Hey Mr. and Mrs. occupied do you still doubt that?

Harvey Sanchez:

What is your hobby? Have you heard this question when you got students? We believe that that problem was given by teacher to the students. Many kinds of hobby, All people has different hobby. So you know that little person such as reading or as looking at become their hobby. You should know that reading is very important and book as to be the factor. Book is important thing to include you knowledge, except your own teacher or lecturer. You get good news or update with regards to something by book. Different categories of books that can you decide to try be your object. One of them is For Elise.
