Switched By Cassie Mae

Cassie Mae's delightful novel answers the eternal question: What do you do when you're head over heels for your best friend's guy?

Ever since high school, Kayla has been crazy for gorgeous football player Talon. But before she could muster the courage to tell him, he became a hot item with her beautiful BFF, Reagan. The only person who knows Kayla's secret is Wesley, Talon's best bud—and he's got it bad for *Reagan*. Now they're all in college together, hanging out 24/7. For Kayla, seeing the two lovebirds together is absolutely unbearable. So Kayla and Wesley hatch a plot to drive them apart before Talon has a chance to give Reagan the Christmas gift she's been waiting for.

Soon enough, the once happy couple is fighting. Reagan suddenly can't get enough of Wesley's goofy sense of humor, and Talon seems to be paying more attention to Kayla than a guy who's "only a friend" ever should. But just when everything seems to be falling into place, Kayla and Wesley accidentally spend a night together and discover a hitch in their plan they never considered: that switching partners may not lead to a perfect ending after all.

Praise for *Switched*

"*Switched* is a brilliant read that keeps you laughing, and sighing, and frustrated, and loving it!"**—Rachel Schieffelbein, author of *Run for the Roses***

"*Switched* was a mixture of heartfelt honesty and laugh-out-loud moments. Wesley and Kayla's journey is one you can't miss and will want to be on, cheering from the sidelines as they mess up and make up. I couldn't get enough of these two."**—Theresa Paolo, author of *(Never) Again***

"Cassie Mae's books have become my latest guilty pleasure. Pleasure, because who doesn't love to read a romantic comedy? And I say guilty because when I lay my hands on one, I tend to read them in one sitting and let all my other responsibilities go to the wayside. What dishes?"**—Pauline Creeden, author of *Sanctuary***

"Five stars . . . *but* as usual deserving of far more!"***—Le Book Squirrel***

"I absolutely loved *Switched*. I found it cute, funny, goofy, and downright sigh-

inducing.”***—The Shadow Realm***

“I found myself smiling from ear to ear (and harboring a major craving for gummy bears . . .). I love the simple way she spells out a love story. The innocent gestures and internal dialogue cause me to sigh, or laugh, with the turn of each page.”***—Madison Says***

“Sweet, romantic, funny, and very entertaining, *Switched* was a fantastic New Adult romance.”***—Imagine a World***

“This is a cute, fun romance with lots of laughter and an adorable love story. *Switched* could be a chick flick, and a good one at that. If you are looking for a short, girly book to pass the time, then you’ve certainly come to the right place!”***—Dark Faerie Tales***

“*Switched* is a fun read and a welcome addition to the New Adult romance genre. I liked Cassie Mae’s writing and plot—it was just like reading a script for a 90s teen film, and there’s nothing wrong with that!”***—Wondrous Reads***

"*Switched* had everything I want in a fun and flirty romance: charming characters, realistic writing, believable dialogue and plenty of funny—and a couple sexy—moments. I really enjoyed Cassie Mae's writing style."***—Kimberly Faye Reads***

"I really enjoyed this fun, quick novel about two people who don't see what's right in front of them until a little bit of (funny) drama. Mae is very good at getting me to chuckle throughout an entire book, because her heroines are quirky and unique."***—Book Nerd***

Users Review

From reader reviews:

Judith Cole:

This Switched book is simply not ordinary book, you have after that it the world is in your hands. The benefit you obtain by reading this book is information inside this book incredible fresh, you will get information which is getting deeper a person read a lot of information you will get. This particular Switched without we realize teach the one who studying it become critical in considering and analyzing. Don't be worry Switched can bring if you are and not make your handbag space or bookshelves' turn into full because you can have it with your lovely laptop even cell phone. This Switched having great arrangement in word in addition to layout, so you will not really feel uninterested in reading.

Dora Gourley:

Why? Because this Switched is an unordinary book that the inside of the publication waiting for you to snap it but latter it will surprise you with the secret the item inside. Reading this book next to it was fantastic author who have write the book in such amazing way makes the content on the inside easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you for not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of rewards than the other book include such as help improving your skill and your critical thinking method. So , still want to hold up having that book? If I ended up you I will go to the guide store hurriedly.

Larry Cain:

Playing with family inside a park, coming to see the water world or hanging out with buddies is thing that usually you have done when you have spare time, after that why you don't try matter that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Switched, it is possible to enjoy both. It is very good combination right, you still wish to miss it? What kind of hang type is it? Oh come on its mind hangout guys. What? Still don't have it, oh come on its known as reading friends.

Suzanne Mitchell:

As we know that book is important thing to add our understanding for everything. By a guide we can know everything we wish. A book is a set of written, printed, illustrated as well as blank sheet. Every year had been exactly added. This guide Switched was filled concerning science. Spend your spare time to add your knowledge about your technology competence. Some people has several feel when they reading some sort of book. If you know how big good thing about a book, you can truly feel enjoy to read a publication. In the modern era like at this point, many ways to get book that you just wanted.
