When We Kiss: Ribbon Ridge Book Five By Darcy Burke

USA Today *bestselling author Darcy Burke returns with the fifth sexy and emotional novel in her Archer family saga…*

Denver real estate mogul Liam Archer has always been a thrill-seeker, and the loss of his identical twin brother has only intensified his reckless behavior. Sky diving, heli-skiing, motorcycle riding…he's tried everything once. Except falling in love. Liam doesn't do relationships, but a no-strings fling with Aubrey Tallinger—the smart, gorgeous lawyer handling his brother's estate—is totally his speed.

At first, hooking up with Liam whenever he's in Ribbon Ridge is perfect; but Aubrey fears she could fall hard for the sexy daredevil, if he'd only stop refusing to acknowledge the demons he's trying to outrun. To protect herself from heartbreak, Aubrey ends their affair. But this time Liam isn't leaving town, and instead of seduction, he wants to be…friends.

The white hot attraction between them still sizzles, but Liam knows that winning Aubrey back won't happen in his bed. He'll have to convince her that he's more than the careless, adrenaline junkie she believes him to be. Because when they kiss, Liam feels whole again… and he isn't ready to give her up without a fight.

Editorial Review

About the Author

Darcy Burke is the *USA Today* bestselling author of hot, action-packed historical and sexy, emotional, contemporary romance. Darcy wrote her first book at age eleven, a happily-ever-after about a swan addicted to magic and the female swan that loved him, with exceedingly poor illustrations.

A native Oregonian, Darcy lives on the edge of wine country with her guitar-strumming husband, their two hilarious kids who seem to have inherited the writing gene, and three Bengal cats. In her “spare” time, Darcy is a serial volunteer enrolled in a twelve-step program where one learns to say “no,” but she keeps having to start over. She’s also a fair-weather runner, and her happy places are Disneyland and Labor Day weekend at the Gorge.

Users Review

From reader reviews:

Jon Farris:

As people who live in typically the modest era should be up-date about what going on or data even knowledge to make all of them keep up with the era and that is always change and make progress.
